Outside Europe, up to 5 A shows will be approved by the EAHSC. Any application for a new A show shall only be approved when:

The number of Title shows shall remain limited: 3 in Europe, 3 in countries outside Europe, in order to maintain the value of these events. A new Title show shall only be approved in replacement of another Title show which ceases to exist for any reason. Each show organiser shall make a written application to his National Organisation (Full Member of ECAHO) which has the right to approve or reject the show. If approved, the National Organisation will forward the application to the EAHSC for approval. If rejected, the reason for the rejection must be given. **Blue Book 2019**

**Rules for Affiliation of Shows**

- **Date of Registration**
  The “Date of Registration” is defined as the date at which the relevant national registry declares that the horse has been accepted for registration. National Registries will be responsible for confirming the date of registration. Entries must either present the relevant registration certificate or enclose, with the entry form, a letter by the registrar confirming that registration will be completed before the first day of the show.

- **General Classes**
  Classes of the following categories are recognized by EAHSC:
  - foals (males and females, or combined; see also “Foal Classes” below),
  - colts (junior males, 1-3 years old),
  - fillies (junior females, 1-3 years old),
  - stallions (senior males, 4 years+),
  - mares (senior females, 4 years+),
  - geldings (junior (1-3 years old) and senior (4 years+), or combined (1 year+)).

  The Show Organizers may arrange the age groups within these categories to best suit their entries and to avoid any imbalance in the size of the classes.

  No horse under 6 months of age may be shown without its Dam.

  All open classes, with the exception of foals, are qualifiers for A and Title shows.

- **Foal Classes**
  In those shows where foal classes are held:
  a) Foals may not compete in EAHSC Championships, nor will they qualify for any future Title or A Show.
  b) When foal classes are organized at EAHSC affiliated shows, the EAHSC Rules will apply.
  c) Foals must have a minimum age of four weeks at the date of the show, and must be shown at foot (with the dam) up to 6 months of age. Orphaned or rejected foals under six months may not be shown.
  d) The use of metal halters and halters with metal chains is forbidden.
  e) A comparative judging system is recommended.
  f) All the rules pertaining to foal classes must be clearly indicated in the schedule and the catalogue.
  g) With regards to stricter rules for the welfare of foals, organisers may introduce their own rules as long as these are presented to ECAHO for approval prior to sending out the schedule and are clearly stated in the show schedule and catalogue.

- **Foals - for identification purposes:**
  Foals under six months shown in foal classes with their own mother need no special documentation, but the mother must have all necessary documents.
  Foals over six months shown without their dam, foals from Embryo Transplant or foals with foster mothers which are shown in foal classes and do not yet have a passport, must be micro-chipped and in possession of a copy of the official Stud Book Registration form, showing the micro-chip number and the graphic description of the foal.

- **Championship Titles**
  There will be three prize winners in each category - Junior Males, Junior Females, Senior Males, Senior Females and Geldings (junior and senior or combined):
  Champion Gold Medal, Silver Medal, Bronze Medal.
  If there are sufficient yearling entries and the Show Organizer wishes to hold separate Yearling male and Yearling female Championships, there will be three prize winners in each of these categories.
  The Rules for Championships must be clearly explained in the Schedule and the Show catalogue.

- **Top Five System**
  This system is optional for any show, provided there are a sufficient number of horses present:
  The top 50% of each class minus one, but not more than 5 horses, qualify.
e.g.: 5-6 starters ➔ places 1 - 2 qualify
7-8 starters ➔ places 1 - 3 qualify
9-10 starters ➔ places 1 - 4 qualify
11 and more starters ➔ places 1 - 5 qualify

All qualified horses of a category - Yearling Males, Yearling Females (where appropriate), Junior Males, Junior Females, Senior Males, Senior Females or Geldings - come into the ring. All first placed horses stand in the front row, all second placed horses in the second row, all other horses (places 3.-5.) in the third row.

The judges select their Champion Gold medal, Silver and Bronze medal winners according to the rules for Championships. The judges will then select two more from all the remaining horses which together with the three medal winners form the Top Five.

is officiating.
b) Exhibitors will declare on the entry form any actual or apparent conflict of interest with any of the officials

Rules for Conduct of Shows

An actual or apparent conflict of interest may further occur, amongst others, if the Official, irrespective of the payment or receipt of a remuneration or any other consideration, during the period of one year (365 days) before a show at which the Official officiates:

- has entered into any business relationship with an exhibitor at that show,
- Has received, whilst being involved with the organization of any show or event, sponsorship from an exhibitor at that show or event.

- has purchased or sold a horse from or to an exhibitor at that show,
- was involved with the breeding of a horse of an exhibitor at that show,
- was involved in similar activities with an exhibitor at that show.

In case of doubt, the DC’s decision will prevail.

Any Official must decline to officiate if they consider themselves to have a conflict of interests concerning a horse, its’ handler or its’ owner(s).

13. b) If, during the show a conflict of interests of which the exhibitor was un-aware becomes apparent, the following options are available:

i) if the official with the conflict of interests is a judge or probationer judge,
- the judge or probationer judge will suspend his/her duties for the duration of the class and respective championship

- if the above mentioned (i) is not applicable and if no reserve judge is available or there are no more members of the judges’ panel, the total points in the class will be multiplied by the factor of planned number of judges divided by the actual number of judges, to calculate a comparable score in case of ties in championships

- a member of the acting DC

All aspects concerning actual conflicts of interests and their consequences will be recorded in the DC report.

Judges will not consult the show catalogue before or during the show at which they are judging.

15. In the show ring, all communication between judges and handlers prior to the presentation of prizes will be through the Ringmaster.

16. Judges may withhold any award if in their opinion the exhibit does not merit such an award.

All bridles without bits are equally to be both secure and comfortable for the horse. Any horse that is not under control will be removed from the show ring and disqualified.

25. a) Any horse becoming loose in the collecting ring is subject to a penalty (of a fine not exceeding 100 €) at the discretion of the DC. b) Any horse becoming loose in the show ring will immediately continue to be shown and is subject to a penalty (of a fine not exceeding 100€) at the discretion of the DC. Should the horse become loose a second time it will be disqualified.

26. All horses that are awarded a ranking in their respective class must take part in the Class prize giving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present. Absence of the horse or any representative to appear in the prize giving ceremony will disqualify the horse from the show, with its record of score in the Class being deleted and it will be sanctioned according to Rules for Disciplinary Committees article 16.

In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Class ranking.

Soundness

37. A yellow Card may be issued if there is a further offence after a warning or it may be issued without such warning.

Rules for Ties and Championships

Rules for Ties in Qualifying Places

In the event of a tie in the qualifying places of a class, the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement. If the highest and lowest points are eliminated, only the remaining points for type and movement are considered in the tie break. Failing a decision on either of these, one judge chosen by ballot will name his preference.

Rules for ties in Championships

In the event of a tie in the championships, the higher place will be given to the horse with the highest total points in the qualifying classes. If the highest and lowest points are eliminated, only the remaining points for total, type and movement are considered in the tie break. If there is still a tie, the rules for ties in qualifying places will be applied.

Rules for Championships

The organizers may decide which method to apply in their Show:

a) Standard ECAHO method
b) Standard ECAHO method with a modification
c) Open method
a) Standard ECAHO method

1. Championships will be judged as follows:
   a) The horses placed first in their class line up ordered according to age. The horses placed second in their class line up behind them in the same order.
   b) The first placed horses will be judged individually, standing and trotting.
   c) The Champion Gold medal winner is selected from amongst the horses placed first in their class by individual written votes from each judge. The horse with the highest number of votes will be Champion Gold medal winner. In the event of a tie, the horse that received the highest number of points in its class will be declared Champion Gold medal winner. In the event of a further tie, the "Rules for Ties in Qualifying Places" will apply.

   The judges will not discuss the horses.

2. The Silver medal winner will be selected in the same way as the Gold medallist from all other horses that have qualified for the Championship.

3. The Bronze medal winner will be selected using the same system used to select the Silver medallist.

   The votes of the judges in the Championships will be announced and will be published at the show office immediately after the judging has finished.

4. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.

5. If a horse placed first in its class is not able to take part in the Championship, the horse placed second in the class will move forward and be judged with the other horses placed first. Should a horse placed first be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship and, therefore, the second placed horse will not be judged with the other first placed horses. Substitutions for absent first-placed or second-placed horses by third-placed or lower-ranked horses will not be permitted.

6. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class but third or lower placed horses will not be entitled to enter the Championship.

7. All horses that are awarded a medal in their respective Championships must take part in the Championship prizegiving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present, absence of the horse or any representative to appear in the prizegiving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show. In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Championship.

If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.

3. If a horse placed first in its class is not able to take part in the Championship, the horse placed second in the class will move forward and be judged with the other horses placed first. Should a horse placed first be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship and, therefore, the second placed horse will not be judged with the other first placed horses. Substitutions for absent first-placed or second-placed horses by third-placed or lower-ranked horses will not be permitted.

- A horse nominated by a judge for Bronze Medal will receive 1 point.

The Gold Medal will be awarded to the horse with the most votes for Gold Medal Champion. In case of an equal amount of vote for Gold Medal Champion, the Gold Medal will be awarded to the horse with the highest number of championships points.

From the remaining horses:
- The Silver Medal will be awarded to the horse with the highest number of championship points.
- The Bronze Medal will be awarded to the horse with the 2nd highest number of championship points.

In the case of a tie, the Rules for Ties in championships will be followed.

The judges will not discuss the horses.

2. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.

3. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class. Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship.

4. All horses that are awarded a medal in their respective Championships must take part in the Championship prizegiving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present, absence of the horse or any representative to appear in the prizegiving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show. In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Championship.
5. In Title and A shows all horses that qualified for their respective Championship must remain at the showground until after their championships.

**Open method - Championships with Top 5**

Art. 1. a – c apply.

4th and 5th place will be selected at the same time from amongst all horses that have qualified for the Championship.

Points will be given to the nominated horses as follows:

- A horse nominated by a judge for Gold Medal will receive 6 points
- A horse nominated by a judge for Silver Medal will receive 4 points
- A horse nominated by a judge for Bronze Medal will receive 3 points
- A horse nominated for 4th place at Top 5 will receive 2 points
- A horse nominated for 5th place at Top 5 will receive 1 point

The Gold Medal will be awarded to the horse with the most votes for Gold Medal Champion. In case of an equal amount of vote for Gold Medal Champion, the Gold Medal will be awarded to the horse with the highest number of championships points.

From the remaining horses:
- The Silver Medal will be awarded to the horse with the highest number of championship points.
- The Bronze Medal will be awarded to the horse with the 2nd highest number of championship points.
- The 4th place at Top 5 will be awarded to the horse with the 3rd highest number of championship points.
- The 5th place at Top 5 will be awarded to the horse with the 4th highest number of championship points.

In the case of a tie, the Rules for Ties in championships will be followed.

All horses that are awarded a medal in their respective Championships must take part in the Championship prizegiving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present, absence of the horse or any representative to appear in the prizegiving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show.

In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Championship.

Preface
For the ECAHO Rules for Medication Control the following definitions shall apply:

b) The term “ECAHO approved testing laboratory” defines the Laboratoire des Courses Hippiques, 15 rue de Paradis, ZAC Pompidou, 91370 Verrieres le Buisson, France.

c) The term “Prohibited substances” defines zero tolerance for those substances which are listed in the FEI “Equine Prohibited Substances List” as valid at the time of sample taking;

d) The testing procedures will follow the current “Manual for sampling veterinarians” as issued by LCH laboratory.

e) The person responsible for the horse is the registered owner or the lessee, but the person who signs the entry form, the handler, and other support personnel including but not limited to grooms and veterinarians may be regarded as additional persons responsible if they are present at the event or have made a relevant decision about the horse. Should the person responsible designate someone to represent them (e.g. a lawyer) any correspondence sent to this representative will be deemed to have been communicated to the person responsible.

Rules
1. The administration of any substance not a normal nutrient (including irritants applied to the skin and mucous membranes), whether intentionally or unintentionally, which may affect the performance, temperament or soundness of an exhibit is forbidden. Such substances are listed in the list of prohibited substances.

2. a) At all ECAHO affiliated shows medication testing may be carried out at the discretion of the DC or the judges.
   b) At all Title Shows and A-shows the medication testing of all Gold Medal champions is compulsory.
   c) Any horse at any show may be tested at the discretion of the DC or judges.

3. Both urine- and blood samples must be taken according to the “Manual for sampling veterinarians” which is enclosed with the sampling kits. If, after a prolonged wait (no less than 30 minutes), no urine sample can be obtained, blood collection only is acceptable. Only sampling veterinarians may collect the samples and they may not act in any other capacity at a show in which they have been appointed sampling veterinarians.

4. The organizer will provide fresh bedding and a clean box for each horse to be tested. These boxes will be marked as sampling boxes and will be used exclusively for this purpose. They should be located in a quiet environment with no public access.

5. All samples taken at a show must only be sent to the ECAHO approved testing laboratory which is the Laboratoire des Courses Hippiques, 15 rue de Paradis, ZAC Pompidou, 91370 Verrieres le Buisson, France.

   The sampling kits, their transport from and to the ECAHO approved testing laboratory, analyses and honoraria of sampling veterinarians will be paid by the show organizer or by the National Registry/Association.

6. Any exhibit for which the sampling veterinarian certifies that in his opinion the collection of blood, urine or other substances may endanger the exhibit concerned or the persons handling such exhibit, will inform the DC’s who will disqualify the horse and forward the case to the SDC. Any horse so disqualified will not receive any prize or title and will not compete further at the show concerned.
7. Horses withdrawn from such test by the person responsible will not receive any prize or title, will not compete further at the show concerned and will be treated as if positive. The case will be forwarded to the SDC.

8. The ECAHO approved testing laboratory will send the results of the tests to the ECAHO Executive Secretary and the organizer of the show.

9. All offences of the Medication Control rules will be dealt with by the Standing Disciplinary Committee (SDC).

10. In the event that an exhibit is tested positive, the person responsible will be held fully responsible for the horse unless such person can provide full and proper evidence implicating some other person.

11. When a notification is received that a horse tested positive for prohibited substances, the Executive Secretary will forward the test results to the SDC, together with the details of horse and show concerned and will ask the show organizer for copies of the entry forms to be sent to the SDC. The SDC will consider all evidence available.

12. a) When a horse has been tested positive for prohibited substances, the person responsible will be informed and be offered the option of having the B sample tested. The request for testing the B sample, together with the election of the laboratory to be used for the analysis must be directed to the Executive Secretary in writing within 30 days after the receipt of notification is confirmed. The person responsible may elect to have the B sample analyzed at one of the following approved laboratories for B tests:
   i) Laboratoire des Courses Hippiques LCH, 13 Rue de Paradis, 91370, Verrières le Buisson, France
   ii) LGC Ltd, Newmarket Road, Fordham, Cambridgeshire, CB7 5WW, United Kingdom
   iii) The Hong Kong Jockey Club - Racing Laboratory, Shatin Racecourse, Shatin, New Territories, Hong Kong
   In the event there is no specific confirmation of receipt, receipt shall be assumed to have occurred after ten (10) days from dispatch of the notice.

   b) With such request, the person responsible may request a hearing at which the SDC will meet and the person responsible or his representative may be heard. Such hearing may be held not less than 42 days after the person responsible or his representative has been informed. The SDC will decide what form the hearing will take - physical presence, via telecommunication or written – and communicate the estimated costs of the hearing to the person responsible who must advance the cost of said hearing within ten (10) days of receiving the estimate. Should ECAHO not receive the full amount of the estimated costs within the time stipulated these proceedings will be terminated. The request for a hearing will have no suspensory effect on any penalty imposed by the SDC.

   c) The SDC may provisionally suspend a horse from participating in any show prior to the opportunity of a full hearing if that horse was tested positive for prohibited substances (A sample or B sample). If a provisional suspension is imposed by the SDC the person responsible may submit to the SDC a short statement in writing in order to show cause why the provisional suspension should be lifted. The provisional suspension shall be maintained unless the person responsible establishes to the satisfaction of the SDC that exceptional circumstances exist that make it clearly unfair, taking into account all of the circumstances of the case, to impose a provisional suspension prior to the hearing.

13. a) Horses in whose body fluids a forbidden substance is discovered are automatically disqualified from the competition concerned if no second test (B sample) is requested. Should a second test (B sample) be requested by the person responsible and found positive, the disqualification shall become effective after this second result has been communicated to the person responsible or his representative.

   b) If the person responsible requested the B sample to be analyzed, but did not elect a laboratory in time, ECAHO shall solely determine which one of the following laboratories shall analyze the B sample: Laboratoire des Course Hippiques (L.C.H), France; LGC Ltd, United Kingdom; The Hong Kong Jockey Club, Sha Tin,
c) Should the B sample result be negative all proceedings will be terminated.

14. a) The penalty for the use of prohibited medication will be a fine of up to 4000 Euro per horse, and the loss of place, title, qualification and the return of any trophies and/or prize money, and the horse will be suspended from participating in any ECAHO affiliated show for a period of one (1) year after the day the sanctions were imposed by the SDC. If the fine is not paid within one year, the horse will continue to be banned for a longer period of time until the full amount of the fine is received by ECAHO. Any other horses owned by the person responsible, stud farm or breeding entity will also be banned from participating in any ECAHO affiliated shows until the full amount of the fine is received by ECAHO.

b) The penalty for the use of irritants will be a fine of up to 1000 Euro per horse, and the loss of place, title and qualification and the return of any trophies and/or prize money. The horse will be banned from participating in any ECAHO affiliated show until the full amount of the fine is received by ECAHO. Any other horses owned by the person responsible, stud farm or breeding entity will also be banned from participating in any ECAHO affiliated shows until the full amount of the fine is received by ECAHO.

15. The person responsible will be liable for all costs of medication testing and subsequent costs of investigation, possible legal proceedings and all other follow-up costs arising out of this case (See articles 33 and 34 RDC). With regards to further sanctions against the person responsible and the horse concerned, rule 24 of RDC is applicable. All horses owned by the person responsible, stud farm or breeding entity will be banned from participating in any ECAHO affiliated shows until the full amount of the costs is received by ECAHO.

16. Decisions may be made public at the conclusion of the proceedings.
I. ADDENDUM
Technical guidelines for all Shows

Introduction
A complete description of the following topics should be presented by the committee of any proposed new show to the EAHSC for affiliation, together with the schedule. Information on the same topics must reach all exhibitors prior to the show with entry and parking cards if needed (this may be included with the Schedule).

Access and parking
Access to the show grounds should be clearly signed and from a certain distance, depending on the location of the show (open country or city). Ample parking space should be provided sufficiently close to the stabling area. Stewards must be appointed to regulate proper parking of horse vans.

Stabling
The stables should be grouped in one (max. two) areas. The horses must be housed in box stalls (covered if out of doors), made of resistant materials providing the best possible conditions of security of the minimum dimension of 2.8 m by 2.8 m and minimum height all around of 2.7 m, for all foreign entrants. Proper bedding should be available on the show ground free of cost. A notice will be posted to the effect that “Training of horses will not be permitted in the stable area between the hours of 20.00 hrs and 06.00 hrs”.

Feed and water
Running water must be available at the stables as well as a feed store where oats and hay can be purchased at current prices.

Show ring
Must be of proper size, at least 1'200 square meters (with the longer side at least 60 metres), of square or rectangular shape and of the least slippery ground as possible. It must be fenced all around with one or two entry-exit gateways manipulated by stewards. The layout of the show grounds must be attractively decorated as suitable for an international event.

The jury should be placed with their backs to the main spectator area. The show staff and/or officials should stand at a distance behind the judges and communicate only when indispensable.

Sufficiently large covered stands should allow the spectators to be seated while attending the show. The public address system must be clearly audible from the grandstands, the ring, the paddock and the stables.

Paddock (collecting ring)
should be of sufficient dimensions to allow all the horses of the biggest class to wait safely. It must be located close to the show ring in order to allow the horses to pass easily from one to the other without having to walk over a long distance. The passage from paddock to show ring must be kept free from the public. The precise schedule of the day’s classes must be marked on a large signboard at the entrance to the paddock. Stewards must control both the entries and the exits to the paddock and the ring according to the proceedings of the show.

Staff
The number of staff members of an International Show will depend on the importance of the show, size of the grounds, number of entries foreseen and/or other technical considerations.

a) Officials
- Jury
- Disciplinary Committee (DC)
- Ringmaster(s)
- Show Veterinarian

Guidelines for ECAHO Officials and Show Organisers

Reimbursement and hospitality

The show organiser is requested to provide judges and other officials (DCs, Ringmasters, etc.) with transport, accommodation and meals during the show. He may book transport, such as flights, himself or ask the officials to do so. In case of the latter, the show organiser is requested to reimburse at least economy flight tickets, second class for trains or 0,36 € per kilometer by car (but not more than the average economy flight ticket). If an official cancels the invitation after the travel arrangements have been made, he will pay all the costs arising out of this booking. Any infringement should be reported by the show organiser or the ECAHO official, respectively, in writing to the EAHSC.

Hosting of Officials

The Officials should be invited well in advance of the show, as their replies must be received in time to have their names printed in the schedule. Accommodation should be booked for them near the showground. Organisers are responsible for the hotel charges for room and food. Reasonable travelling expenses must be paid. Transport from and to the airport and between hotel and showground should be arranged and the Officials have to be informed about the times of pick-up. No catalogues giving the names of exhibitors or horses should be available for the judges in advance of the show. Any unpaid expenses with the Officials will be settled before they return home.

• The responsible A List Official should inform his Probationer about the procedure before the show starts.
• A list Judges and their Probationers should minimize conversation during their time in the ring, preferably restricted to the introduction walk-around of the class. Notes can be compared in silence or be discussed when outside of the main ring after the class. Any discussions with a Probationer-Judge and "pointing at horses" in the main ring are prohibited.
• During championships A-Judge should mainly concentrate on his/her own judgement. Probationers will note, reveal and discuss their personal choice in the championship with the A-Judge afterwards, when outside of the main ring.
• DC Probationer must be present from the beginning of the DC work prior to the show.
• DC's and Ringmaster and their Probationers may communicate discretely anywhere before and during the show.

**Procedure after the Show**

• Shortly after the show the A-Judge shall prepare a "Probationer report of the Senior Judge".
• The report is an objective description of the A-Judges' impression of the Probationer.
• The report is sent as soon as possible to ECAHO Office, not to the Probationer or National organization or any other person or body. It is a confidential document that will be a part of the Probationers' training file regarding the Level II course and a B list recommendation.

• The DC Probationer will write a DC report which must be given to the A-DC at the end of the show.
• The A-DC will write a Probation report shortly after the show detailing the knowledge, character and ability of the probationer. This report will be sent to ECAHO Office and DCIC for evaluation.

• The Senior Ringmaster will write a Probation report shortly after the show detailing the knowledge and ability of the probationer. This report will be sent to ECAHO Office and the Ringmaster Instructors Group for evaluation.
The initial body to contact, for anyone who wants to become a judge for ECAHO affiliated Arab horse shows, is the national ECAHO member organization (Arab Horse Society) of his country.
